

May 2005

The spring walks are here!

With the men's walk kicking off May 12 and the women following a week later, the preparations are nearly complete for another pair of amazing weekends. Registration has gone well. With two weekends back to back, there will be many opportunities to serve and pray for all involved including the pilgrims and the teams themselves. Everything needed about the walks will be included below.

Men's	Position	Women's
