Request for Reservation

The WALK TO EMMAUS is a three-day experience of renewal, learning and sharing in the atmosphere of a Christian community. It is a different experience for each individual. It is not designed for the solution of deep seated personal problems, but to help mature people work toward a Christian way of life with community support. Husbands and wives are invited as a couple and should make a joint commitment to attend. Husbands usually attend first. Each person must submit a separate application, and married couples are requested to turn in both applications at the same time. Selection preference will be given to couples both agreeing to attend.
